AUDITOR'S REPORT

Fiscal Year Ended December 31, 1973

Winchester, N. H., 03470

February 1, 1974

The Board of Selectmen
Town of Richmond
Winchester, New Hampshire, 03470

Gentlemen:

Submitted herewith is our report of an audit and examination of the Accounts and Records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1973.

The Financial statements as listed hereafter are to be included as part of our report, however, only this letter of transmittal need be published in your annual Report of Town Officers.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds are included in our examination and audit.

FINANCIAL STATEMENTS

1. Comparative Balance sheets show a decrease of \$6,872.53 in the Net Debt of the Town.
2. The statement of appropriations and expenditures shows a net unexpended balance of appropriations in the amount of \$5,987.78.
3. The Statement of Estimated and Actual revenues shows a net revenue deficit in the amount of \$3,166.08.
4. The Town has a Net Budget surplus for the fiscal year of 1973 in the amount of \$2,821.70.
5. Other summaries include the accounts of the Town Treasurer, Tax Collector, Town Clerk, Trustee of Trust Funds and the Revenue Sharing account are also included.
6. Summary of Long Term Indebtedness.

AUDIT PROCEDURE

The Audit procedure included comparing of vouchers and cancelled checks with supporting invoices and payrolls, as

well as entries of record. Receipts were verified insofar as possible and totals of all receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from Statements obtained from the depository Banks. Uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers as indicated on the Tax Collector's records.

CERTIFICATION OF AUDIT

We Hereby certify that we have examined and audited the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1973, and have found them to be in excellent order, and to the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the Town of Richmond for the period under review.

APPRECIATION

Please express our sincere thanks and appreciation to all of the officials of the Town of Richmond for their sincere and kind assistance and cooperation during the course of our audit.

Very truly yours,
Arnold B. Conway
Arlene C. Manning

1973 has proved to be a memorable year in that it has seen the beginning of our library addition. The foundation was poured in the fall and this was capped and sealed for the winter. We hope that with the spring the work will proceed and the building, itself, will take shape.

We took part in the Richmond Community Day by having a book and cookie sale and fleamarket. This, as usual, was successful.

Many books and magazines have been donated throughout the year. I wish to mention two children's books in particular. "The secrets of Redding Glenn" was given by Mrs. Nancy Millard and written and illustrated by her father, Jo Polseno. It is a beautifully illustrated story of the daily lives of the animals and birds in a wooded glen somewhere in Conn. The other book, a gift from Mrs. Joan Quintard, entitled "A great big ugly man came up and tied his horse to me" is a book of verse compiled by and very cleverly illustrated by Joan's son-in-law, Wallace Tripp. My many thanks to these two donors and to all others who have generously added to our collection. I look forward to having more shelf space for all of these books in our new addition.

REPORT OF POLICE CHIEF

We would like to thank everyone for their cooperation during the past year.

As in the past years, we overextended our budget, unavoidably.

- 167 Complaints
- 15 Automobile Accidents
- 3 Snowmobile Complaints
- 25 Arrests, followed by court action
- 28 Properties broken into

All the officers combined drove a total of 11,691 miles and put in approximately 1200 hours in 1973.

In order to improve the quality of our department, three officers, including the Chief, are attending classes in law enforcement at St. Anselms College.

The Police Department sponsored a Red Cross First Aid Course that was made available to all townspeople.

In hopes of solving he breaks we are working very closely with surrounding towns, State Police, and the Sheriff's Dept.

Respectfully Submitted,
Chief Lawrence G. Sweeney
and the officers of the
Richmond Police Department

BEACH AND RECREATION REPORT

During the past year we tried to make your afternoon at the Beach more enjoyable than it was. I hope we succeeded.

We did not accomplish all that we planned, but with all your help we will strive to finish the job this coming year.

We would also at this time like to thank the group that helped us refurbish the raft, the group that cannot vote, but believe they can help the Town.

The Committee has also voted to financially sponsor all parties that the younger group will be involved in. Any help and suggestions would be appreciated.

Respectfully Submitted

REPORT OF FIRE CHIEF

I hereby submit my report to the Selectmen and Citizens of Richmond for the year ending December 31, 1973.

In the year of 1973 we had one garage fire, one grass fire and unfortunately we lost a house.

We have been called out on Mutual Aid calls to Swanzey and Fitzwilliam. Our new tank truck went to Fitzwilliam once.

We have a new tank truck that holds 1,500 gallons of water which is ready to use. Some of the men have spent a lot of time on this truck getting it ready to use. They have worked at least one night a week all fall and part of the winter. All it needs now is to be painted, which will be done in the near future. This truck was donated to us by A. R. Sandri, Inc. of Greenfield, Mass.

We have our new portable pump which arrived about the first of March 1973.

We have to bring our resuscitator up to standard in order for it to be used correctly. We also need first aid equipment for the trucks. A first aid class was held at the station this fall and 8 firemen attended.

The fire company bought an old fire truck which we are using for a muster truck. We went to two musters with this truck this fall and came home with three trophies.

At this time, I would like to thank everyone who worked on the trucks especially the ones that worked on the tank truck and I want to thank Meadowood, and the surrounding towns of Fitzwilliam, Swanzey, and Winchester for their help through Mutual Aid.

Respectfully Submitted,

Robert VanBrocklin, Chief
Richmond Fire Department

Report of the Richmond Conservation Commission

To the Board of Selectmen:

The Richmond Conservation Commission hereby presents the following report of its activities for 1973.

Changes in the Conservation Commission Enabling Act have given the Town Conservation Commissions power to require a public hearing to be called in cases of dredge and fill operations. Also, one member of the Planning Board of a town must also be a member of the Town Conservation Commission.

1. Various members of the Commission attended a meeting with the new Walpole Conservation Commission to help set up a program of action. We were also instrumental in getting the Walpole and Westmoreland groups to have their enabling articles put into their Town Warrants. Almost 100% of the Cheshire County towns now have Conservation Commissions.

2. We have held regular meetings, which were open to the public, on the average of at least one a month plus numerous special and work meetings.

3. Two Commission members attended the Annual Meeting of the New Hampshire Association of Conservation Commissions in Nashua. The meeting was conducted by Harry J. Bennett, 1973 State Association president and the Richmond Commission chairman.

4. The Soil Conservation Service has completed the field work on the Medium Intensity Soil Survey, and we are hopeful of having the soil map and data available by Town Meeting or early this spring. The financial statement is at the end of this report.

5. We manned our promotional Conservation Booth at the firemen's July barbecue and, as usual, distributed informational bulletins and general information.

6. At the request of the Selectmen and the Planning Board the entire Commission marked the trees to be cut on the Bullock Road TRA betterment project.

7. We held a hearing with Mr. Fred Toot, Executive Secretary of the Cheshire County Y.M.C.A., concerning the treatment of algae at the Camp Takoda area at Cass Pond.

We gave him a permit to do this work last year, and he assumed that it was binding for 1973. The matter was settled agreeably to both sides, and we gave him a permit to conduct a follow-up operation, which was monitored by the Commission.

8. At the request of the Planning Board the entire Commission made an inspection of the proposed subdivision of the Lewis Cass Farm. We recommended to the Board that the area between the proposed road and Martin Brook not be developed, as it is mostly flood plain, and that the area between Martin Brook and the Starkey Road be left undeveloped as common land.

9. The Commission accepted Dr. Shaun Bennett's offer to probe the possibility of making an evaluation of the town's Water Resources. This would complement the Soil Survey data by providing the capacities of both surface and soil waters. Dr. Bennett is exploring the sources of possible funding for this project.

The Commission takes this opportunity to thank Mrs. Joan Quintard for creating our Commission seal, Bill Suderman, who arranged our letter heads, and Biff Mahoney, who did the printing.

Also, we thank those citizens who have contributed to our Commission Fund and have shown an interest in our activities.

The financial statement of our Commission Fund and the Soil Survey Account are as follows:

Report of the Cemetery Committee

To the Board of Selectmen:

Your Cemetery Committee has carried out all the the basic work involved in the establishment of the Earl Howard Cemetery Extension.

The stone wall beside Route 32 has been relaid to match, as nearly as possible, the road wall of the South Cemetery.

All cemetery lot corners have been installed, and, as a supplement to the map, a plan has been made showing the arrangement of lots and a space for a recording of each grave.

We have \$162.75 left from our original appropriation, and we plan to use this balance for seed and fertilizer for the areas which need attention.

The arbor vitae shrubs, which were set out last year, have nearly all lived and should eventually provide an attractive border for the south side of the new area.

Respectfully submitted,

Jane Jillson, Chairman
Valma E. Davis
Harry J. Bennett

SELECTMEN'S REPORT 1973

This past year has been active and productive for the Selectmen.

We found that many of the roads needed repairs due to a minimum of maintenance in recent years. These repairs included rebuilding bridges, new culverts, digging drainage ditches, cutting brush, and putting down gravel. While much has been done with the roads, much still remains to be done. Hopefully this year will be as productive.

The Bullock Road was the subject of much controversy during the year. It was chosen as the recipient of TRA funds. Out of the controversy, some good did come in the form of public participation and the laying out of well thought out plans for the rebuilding of this road. This year will see the work done.

The Selectmen received Guy Packard's resignation as Chief of Police, and appointed Larry Sweeney to the position of Chief. Guy has stayed on the Department, lending it his years of experience.

Many internal changes have taken place within the Police Department, and it seems to be functioning well. These changes are due in part to the Police Advisory Board, which was very active this past year.

After many years, all buildings in town have been appraised at the same time and on the same basis. The Selectmen now have a permanent Card File of all buildings, on which they can base future assessments. We are deeply indebted to both Evert and Joan Quintard for their assistance in compiling and computing the information.

During the year the cases of Richmond vs Orcutt and Richmond vs Gorman, were both settled out of court. Unfortunately, much time and money had already been expended.

In the first case the Town dropped the suit, when it was determined that the defendants had done essentially what was originally asked, and that it would be unreasonable to require the demolition of a building which at that point had been repaired.

The latter suit was dropped when a compromise agreement was reached.

Effective December 31, 1973 L. Stanley Amidon resigned as Selectman. due to his moving to Winthrop, Maine. While

Stanley was a considerable loss to the Board, we were fortunate in securing the services of C. Richard Webber appointed on January 7, 1974.

The Selectmen have been working with Selectmen of other Towns, on a new formula by which area Towns may pay more equitable School Taxes. Hopefully, this will be on the new ballot at the School District's Annual Meeting.

The proposed change would be significantly beneficial to the people of Richmond.

Selectmen of Richmond

REPORT OF THE PLANNING BOARD

The Planning Board was very pleased at the affirmative response of the voters to the numerous adjustments to Zoning presented by ballot at Town Meeting 1973. We are grateful for your continued support and encouragement.

The long promised questionnaire should have reached you by now — if so, we urge your cooperation in completing and returning it promptly — if not, we apologize, and have hopes for the near future.

Field work for the Medium Intensity Soil Survey by the U. S. Dept. of Agriculture was finished in November 1973. Complete and extensive maps will be in our possession early this Spring. The Planning Board, Conservation Commission and Selectmen will then be able to start work on a Master Plan for Richmond that will, hopefully, be intelligent, workable and agreeable for us all.

The moratorium on subdivisions has not been used during 1973.

Land Systems Inc. withdrew its application to subdivide the Allen Pasture lot, 160 acres, south of Sudermans on the Martin Road, due probably, to the Boards insistence on strict compliance to the subdivision regulations as to road construction, drainage and a large piece of land left to open-space because of its inaccessibility.

The Raymond Ellises have subdivided part of the Twitchell lot on Rte. 32 north of 4 corners, the Twitchell house and eleven acres, and six other five acre and larger lots, with a road entering just south of the house which is now owned by the Kenneth Marrers.

The Honeck and Rowe "Squires Glenn" subdivision off Rte 32 north of 4 corners, spanning Martin Brook and with an entrance just South of Parsells, has been carefully scrutinized by both this Board and the Conservation Commission. It will come before the Board again in the Spring with revisions as to lot numbers, sizes and locations in regard to the flood plain of Martin Brook.

Tree Growers, Inc. has rebuilt the old dam on Tillsey Brook just off Rte. 119 west of 4 corners. The wildlife pond which this creates, and the land surrounding it, is held in common by the owners of the "Brickyard Brook" subdivision, eleven 5 to 10 acre lots fronting both sides of Rte. 119 west of 4 corners.

There were numerous minor subdivisions granted in 1973. By minor we mean a landowner selling two acres or more of his land thus creating a subdivision which must be approved by the Planning Board. All told, around seventy-five new house lots have been created in Richmond over the last four years.

The biggest upheaval was the exodus of Stanley Amidon with his family and business to Winthrop, Maine, and the subdivision of his home place into the house and five acres, the Cutters new house and five acres, and the remaining acreage on the west side of Rte. 32 north of 4 corners. The Amidons departure is the end of an era, so to speak, and rather sad. Since Jeremiah Amidon came here in 1819 there have been eight generations of Amidons in Richmond, all born here except Stanleys' two sons born at Keene hospital.

Biff Mahoney and Shawn Bennett are presently representing us on the Southwestern Regional Planning Commission, which has completed a very detailed survey of our areas' solid waste disposal problems.

"THESE WE HONOR"

The greatness of a Town can only be measured in the contributions of its citizens. We have this town that we love, as we know it, largely due to the efforts and service of our "oldtimers". Many of those who have made substantial contributions have passed from us. But it is not too late for us to honor some of those who remain with us. This Town Report is therefor dedicated in honor of those men and women pictured on our front cover.
